OPENED THE BUDGET HEARING AT 6:45

Opened the floor for comments on the proposed budget.

Facilities Manager Gilbert – The elementary school enclosed play structure is coming along nicely. Tracy Young is retiring after 12 years of service to our district. This will create a need to hire a replacement, we are currently budget to cover our current level of maintenance needs. If additional resources become necessary, a resolution can be done. Doesn't require a supplemental budget.

Chairman Young asked Jackie Olsen, CFO LBL ESD, about the budget. Jackie Olsen stated she was very confident in this

budget, but reminded that budgets are always an estimate, given that, she is still very confident.

Director Sickles commented that this was the smoothest budget process he has witnessed so far.
