Board Members in attendance:

Jami Kidd, Vice Chairman

Shanda Yother, Director

Dana Schowalter, Director

INFORMATION & DISCUSSION ONLY

1. Review Applications for the Superintendent Steering Committee – Discussed applicants and determined that there were not enough to warrant declining any. We did notice that a few staff members who had an interest in being on the Steering Committee did not get their applications in on time. It was determined at that time to leave the application window open until 4pm that afternoon to allow any additional applications to be turned in and that we would take the first 15 that applied.

Good of the Order
